Mrs. Alice Payne, Matron of the Almshouse, gave the inmates a Thanksgiving dinner that was somewhat above the ordinary. The table fairly groaned with the weight of good things—turkey, cake, icecream and other dishes too numerous to mention. It was very thoughtful and kind of the Matron, and was duly appreciated by those under her care.

JOHN B. ORR.

The sudden summons of Mr. John B. Orr Wednesday afternoon at 12:30 at his East Third street home came as a shock to his many friends in this city.

Though complaining for several weeks he still continued to work at his trade, carpentering, and not until the evening before his death did he take his bed.

The deceased was born in this city 51 years ago within a few steps of where he died. He married Miss Emma Sauer of Paris, by whom two sons were born, Benson and Lowry Orr. Besides his family he leaves three sisters and two brothers—Mrs. R. M. Meyer of Dayton, O., Mrs. Mary Lowry and Miss Eliza Orr of Connelville, Pa., Mr. George W. Orr of this city and Mr. W. T. Orr of Cincinnati.

Jack, as he was familiarly called, was a devoted husband, a kind and affectionate father, a good neighbor and an excellent citizen.

He was a member of the A. O. U. W., P. O. S. of A. and Neptune Fire Company, all of which will take part in his funeral.

The funeral will take place Sunday afternoon at 2 o'clock from the residence. Rev. J. C. Molloy of the Central Presbyterian Church will conduct the services.

Mrs. Mary Hays, aged 86 years, a former citizen, died Wednesday at the home of her daughter, Mrs. Pat Collins, in Covington. The remains were brought here this morning on the 10 o'clock train and taken to Washington for interment.

ROYAL TONIC.

BEATS ANYTHING WE EVER SOLD AS A STRENGTH CREATOR AND BODY-BUILDER.

Druggist Pecor Enthusiastic Over This Delicious Cod Liver Oil Tonic Which Contains No Oil

"We sell many tonics," said Mr. Pecor, our well-known Druggist.

"We have demands for many so-called strength creators.

"We handle all kinds of remedies that claim to be invigorators. We do this because we are druggists, and it is our business to supply the public with that which they want.

"When our advice is asked, however, as to a tonic and re-builder, strength creator and an appetite producer, we invariably recommend Vinol. We do this because we know all about Vinol. We know all that it contains, and will tell you it is not a secret patent medicine. We have sold enormous quantities of it, and we have had every opportunity offered us to watch the results that have been accomplished by the use of this wonderful re-builder.

"If you have not yet had occasion to use such a tonic we would like to have you call on us, and learn why we are so enthusiastic about this scientific remedy.

"Vinol contains all the curative principles in a highly concentrated form that are found in cod liver oil. It does not contain, however, any of the obnoxious, digestion destroying grease that always proved to be such a drawback to what otherwise would have been a most valuable remedy. We wish you would remember Vinol, and bear in mind that as a blood enricher and flesh creator for old and young and as a wonderful aid to digestion we know of nothing that will compare with it.

"Such is our faith in Vinol that we will gladly refund to any one who is not satisfied the price they have paid us for it." JOHN C. PECOR, Druggist.

Mrs. Covington of Lexington, President of the Rebekah State Assembly, will visit the Rebekah Lodge of this city tonight.

MAYSVILLE SHOULD BEPROUD.

Mr. A. L. Merz was the only buyer from Maysville attending the greatest carpet and rug sale ever held in the United States. It is estimated that nearly six million dollars worth of rugs and carpets were sold at this auction sale and it should be of great pride to the people of Maysville that Merz Brothers were represented there by Mr. A. L. Merz.

They bought considerable quantities of these goods and it will be probably two weeks before these goods arrive.

Merz Bros. say that not a person should buy a rug or a carpet until their sale starts. Then come to the sale and compare the goods and prices and then you will know why Merz Bros. are the leaders in Maysville.

Some good farms yet for sale. JOHN DULEY.

There were Thanksgiving Eve socials held in the Sunday-school rooms of both the Third Street Methodist and Presbyterian Churches. At each Church the young people had delightful times.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Has anybody heard of the Honorable CARL SCHURZ since the cyclone?

The day following the death of Colonel W. C. P. BRECKINRIDGE, the editorial columns of The Lexington Herald, which had so long been the forum of his lofty mind, appeared in blank space—a mute but most eloquent tribute to the dead Editor.

ONE of the most beautiful eulogies, because the most comprehensive, that has been paid to the late Colonel W. C. P. BRECKINRIDGE, is this from The Lexington Herald—

"To different people his many-sided nature meant a different personality—to those who were in the war with him, he was the soldier; to those who trusted their lives and their property to him, he was the lawyer; to those who listened to his eloquence, he was the orator; to those who followed his views, he was the statesman; to those who read his paper, he was the Editor; to all who appealed to him for aid, he was friend; to those who saw him sink to rest, he was—everything. Others will tell what he has done; others will try to tell what he was."

DEFEATED by the voters at the polls, and defeated in the attempt to have his opponent's vote thrown out in one Precinct in Harrison and one Precinct in Fleming county, Mr. Kenoe's Attorneys are now before a Judge of the Court of Appeals, in the hope of reversing the decisions of two Democratic Circuit Judges. It is claimed by some of his friends that Mr. Kenoe is now fighting only for a certificate from the State Election Commissioners, without hope of being able to retain the seat in Congress to which the people of the Ninth District have elected Judge JOSEPH B. BENNETT.

It isn't always the case that the fellow who gets the certificate gets the office. Ask ex-Governor WILLIAM S. TAYLOR.

THERE are seven divorce trials in full swing at Cynthiana; enough to keep handsome bachelor JIM ALLEN on the ragged edge for awhile longer, anyway.

COMMENTING upon the recent decision of the Kentucky Court of Appeals in the contest for the Warren Circuit Judgeship, known as the Bradburn-Galloway contest, The Shelby Record, a staunch Democratic paper, says:

"We, of all people, get no pleasure out of the defeat in a Courthouse of a Democrat by a Republican when both are honest and both desire only a just decision. But when either contestant's cause is dishonest, and rottenly so, then to Hades with politics and political ties; and up with the bright banner of Democratic Judges, brave enough and honest enough to say so. The Court of Appeals decision in the Sweeney case a few days ago was just. Its decision Wednesday in the Bradburn-Galloway Circuit Judgeship contest was an inspiration, the work of a tribunal that is the hope and expectancy of honest, law-abiding Kentuckians. Again, we say, bless the Court of Appeals, and bless Judge J. P. HOBSON, who, in the midst of a political race for re-election, had the courage and the honesty to himself write the opinion in the case cited."

It is astonishing, adds The Louisville Post, that in a community that is devoted to what is termed Democracy—that is, a Government of the people by the people—there should be any tolerance whatever for plans having in view the overthrow of the ballot. Men who conspire to deprive any man of his vote conspire for the overthrow of free institutions. They are seeking to usurp the power that the Constitution gives to the people, and to the people alone.

The Shelbyville contemporary voices what is believed to be the conviction of the vast majority of the people of Kentucky—Democrats, Republicans and Populists. Certainly we in Kentucky are tired of election frauds, tired of having thugs and bruisers and bullies and blackguards and bribe givers and bribe takers governing the state, regardless of the will of the people and in the name of one party or the other.

WHAT DOES THIS MEAN?

Is the Octopus Going to Make Another Raise in Rates?

Louisville Herald.

Representatives in this city of the fire insurance companies doing business in this state have been notified of a meeting of the insurance agents at Maysville.

Insurance agents representing thirty-nine agencies of both board and non-board companies have been consulted. They agreed not to accept or continue the representation of any company than will take local business in Maysville, particularly the business of the Continental Tobacco Company at that point and in Mason county, not written by the local agents.

The agreement applies also to the companies that will not protect the resident agent in securing all local business and the full 15% commission.

It is contended by the insurance agents at Maysville that some of the insurance companies have been taking business over their heads, and that the business of the Continental Tobacco Company, particularly, has been taken in this manner by the companies.

In some instances, it is claimed, the companies have taken the business of this concern at a discount of 15%—the agent's commission—and that the agent thereby is deprived of a portion of the revenue from his territory.

It is said by insurance men here that if the agents at Maysville stand together they will gain their point.

No Poison in Chamberlain's Cough Remedy.

From Napier (New Zealand) Herald—Two years ago the Pharmacy Board of New South Wales, Australia, had an analysis made of all the cough medicines that were sold in that market. Out of the entire list they found only one that they declared was entirely free from all poisons. This exception was Chamberlain's Cough Remedy, made by the Chamberlain Medicine Company, Des Moines, Iowa, U. S. A. The absence of all narcotics makes this remedy the safest and best that can be had; and it is with a feeling of security that any mother can give it to her little ones. Chamberlain's Cough Remedy is especially recommended by its makers for coughs, colds, croup and whooping cough. This remedy is for sale in all drug stores.

There is great interest in St. Petersburg over the meeting of the Zemstvos, and the situation in the Russian capital is without parallel. A program favoring the election of a law-making body and the extension of amnesty to all political offenders has been adopted. The meeting has excited much interest throughout Russia, and as a result there are manifestations of a revolutionary spirit in some of the provinces. The Zemstvos are being deluged with letters from would-be revolutionists and agitators.

ONE-ARM HOBBO

Picked Up Unconscious at C. and O. Depot Wednesday Night

Harry Sampson, who claims Wheeling, W. Va., as his home, was picked up in an unconscious condition near the water tank at the C. and O. Depot Wednesday night. He was found lying on the track by one of the employees of the road and carried into the waiting-room of the Depot.

Chief Donovan was informed of the matter and immediately sent Policeman Ryan to investigate and bring the man to headquarters. He was first taken to Dr. Yazell's office for repairs. After the doctor had sewed up a scalp wound and properly bandaged his head, he was taken before the Chief for interrogation.

The fellow is 20 years old and a first class liar. His story to the Chief was so conflicting that nothing was gained by it to establish a clew. He claimed to have had in his possession \$15 at the time he was injured, but it was not found on his person when picked up, though he still had 90 cents in silver in his pants pockets, which was overlooked by the parties who robbed him, as he would have the police believe. He was a little under the influence of liquor at the time. He said he did not know how or by whom he was struck, but did not think a train had hit him, as it would have killed him. Though fairly well dressed, he is evidently a high-class, one-arm hobo, who appeals to the sympathy of the generous hearted through the loss of that member.
